GENERAL TERMS AND CONDITIONS

ARTICLE I.

ORGANIZER

MediaZone, s.r.o. , Vozárová 5, 040 17 Košice (hereafter referred to as MZ).

Location: Nitra, Agrokomplex Exhibition Centre

ARTICLE II.

AREA ALLOCATION

1. Exhibitor sends the completed application form to the address listed at the top of the form.
2. The completed and sent application form is binding for the exhibitor. MZ shall decide on the acceptance, shortening or rejection of the application, taking utmost account of the exhibitor's requirements.
3. Once the exhibition space has been allocated, the exhibitor is obliged to pay the full invoice amount on the basis of the invoice received and is not entitled to cancel the application. Failure to meet the payment deadline entitles MZ to refuse participation in the Exhibition.
4. **MZ allocates exhibitors on the basis of mutual agreement and on the basis of the possibilities of a particular pavilion. The exhibitor has no right of preference or designation of a particular area, location or pavilion.**
5. The allotted building space may not be issued by the exhibitor to a third party.

ARTICLE III.

PAYMENT TERMS

1. In case of cancellation of participation by the exhibitor, after payment of the invoice, the registration fee is not refunded, nor is the rent for the area and the implementation costs if these have been incurred by MZ up to the date of cancellation of participation.
2. If the exhibitor cancels participation in the exhibition before payment of the invoice, MZ is entitled to payment of the contractual penalty in the due:
 - a.) 50% of the area rental price for cancellation of participation less than 4 weeks before the start of the exhibition
3. Unless the exhibitor cancels his participation in the exhibition in writing and does not attend the exhibition, is obliged to pay a contractual penalty in the amount of 100% of the price for the rental of the area, the price for the realization of the exhibition and other ordered services.
4. The exhibitor undertakes to pay the invoice by the due date. In the event of non-payment by the due date, MZ reserves the right to exclude the exhibitor from the exhibition without financial compensation.

ARTICLE IV.

EXHIBITS

1. Exhibit means an article, product, brand or right to immovable property which is compulsorily registered and exhibited in the space specified by MZ and which corresponds to the nomenclature of the exhibition.
2. **The exhibitor is obliged to immediately notify MZ of any changes to the exhibits/brands. The exhibitor shall not arbitrarily and without agreement with MZ display brands, articles or products not listed in the application form.**
3. Import and removal of exhibits is governed by MZ's instructions. MZ charges handling and storage fees for exhibits not removed by the end of the dismantling period and is not liable for their loss or damage.
4. The reception of exhibits is principally arranged by the exhibitor. In the event that neither the Exhibitor nor his representative will be on site, the exhibits will be deposited on the assigned stand at the Exhibitor's risk. It is not permissible to remove exhibits during the event.
5. **It is forbidden to dismantle the exhibition stand before the agreed time of the exhibition and that is Sunday until 4 PM.**

ARTICLE V.

EXHIBITION AND INSTALLATION OF THE EXPOSITION, ASSEMBLY OF EXHIBITS

1. Dates of installation, dismantling and operating hours are determined by MZ. The technical and safety regulations of Agrokomplex are binding for the exhibitors during the construction of exhibits and demonstration of exhibits.
2. Escape entrances, wall hydrants, fire alarms, fire extinguishers and other safety devices may not be obstructed. Tampering on the pavilions or exterior areas is prohibited. All work related to landscaping of these areas must be ordered by the exhibitor through MZ.
3. The maximum height of the expositions in the pavilions is 3 metres and on the open area 8 metres. Deviations are permitted exclusively by MZ.
4. The exhibitor is obliged to submit to the organizer a technical project and an electrical installation project in two copies for approval at the agreed time before the start of the installation. The installation of the exhibition is possible only after the approval of the projects by MZ. The architectural design and operation of the exposition must not disturb neighbouring expositions.
5. The exhibitor is obliged to order water connections, electrician's lines and telecommunication services from MZ.
6. The exhibitor is responsible for all equipment borrowed from Agrokomplex and is obliged to return it undamaged after the end of the exhibition.
7. The exhibitor is obliged to reimburse the organiser, i.e. MZ, for the damage to the exhibition grounds and facilities of the Agrokomplex.
8. An integral part of these general conditions of entry are "Rules for the assembly and disassembly of expositions at the Agrokomplex Nitra exhibition centre".

ARTICLE VI.

ACOUSTIC ADVERTISING

1. The noise level at the stand must not exceed 75 dB. In case of non-compliance with this limit, the organizer may disconnect the stand from the electrical connection.

Article VII.

PROMOTION, ADVERTISING

1. The exhibitor is entitled to advertise his products only in their own exhibition.
2. All promotional media used outside the exhibition must be ordered from MZ.
3. The official catalogue will be prepared from the documents supplied by the exhibitor.

ARTICLE VIII.

INSURANCE

1. MZ shall not be liable to the exhibitor or its co-exhibitors for loss, destruction, or any damage to exhibits, booth equipment and furnishings, merchandise, packaging, and packing materials, regardless of whether the destruction or other damage occurred before, during, or after the start of the exhibition or other event hosted by MZ. The exhibitor shall take out insurance for this purpose with an insurance company according to their own choice.
2. Liability insurance for self-inflicted damage. Exhibitors who make their own exhibitions and companies providing exhibitions are obliged to take out liability insurance for damages caused by their own during the assembly, erection and dismantling. They are obliged to provide proof of this insurance on request. In the event that this condition is not fulfilled or the subject is not able to prove this circumstance, the MZ is entitled to prevent its entry to the Agrokomplex exhibition space until the remedy is arranged.

ARTICLE IX.

TECHNICAL AND SAFETY REGULATIONS IN THE AREA OF FIRE PROTECTION

1. All exhibitors who will implement their expositions according to the project documentation processed outside the Agrokomplex projection department are obliged to submit it to MZ before the start of the construction, who will ensure its assessment by the fire technician of the exhibition site.
2. Smoking is prohibited in all pavilions of the exhibition site during preparation, holding and dismantling. The exception is the designated areas, which are equipped with ashtrays and no combustible material is stored in them. No combustibles, explosives, acids or poisons may be stored in the pavilions. Exemptions are authorised by the MZ. All materials used in the construction of the exhibits shall be in a noncombustible finish or impregnated against combustion. The types and quantities of these materials used must be notified at the time of project submission.
 - a. In the event of a violation of the smoking ban by an employee of the supplier (contractor) and exhibiting organisation in the exhibition area which is not marked as a "Smoking area", a penalty of EUR 15,00 will be imposed on violator of the smoking ban.
 - b. In case of violation of the smoking ban by the employees of the supplier (implementer) and exhibitor organization in the Agrokomplex exhibition area with an increased risk of fire or explosion, a contractual fine of EUR 30,00 shall be imposed on the person who violates the smoking ban.
3. **Caravans are prohibited from being brought into pavilions with gas tanks in the interior of the vehicles. At the same time, the relevant fire regulations must be complied with.**

ARTICLE X.

FINAL PROVISIONS

1. In the event that MZ, as a result of force majeure, which is any legal fact consisting of an extraordinary, unforeseeable, unavoidable and unavoidable event, (e.g. an uncontrollable state regulation or natural event), is unable to commence the exhibition or has to terminate it, all unfulfilled obligations of MZ towards the lessor from the contractual relations covered by these general terms and conditions of the exhibition shall be extinguished as of the moment of the event caused by the force majeure event. If MZ has already provided the Exhibitor with a performance, the Exhibitor shall not be entitled to a refund of the consideration for that performance, nor shall the Exhibitor be entitled to compensation for any damages incurred in connection with the force majeure circumstance.
2. The exhibitor may file a complaint for the work and services provided by MZ with the responsible person without undue delay, at the latest one day before the end of the exhibition, otherwise the right is extinguished.
3. Unless otherwise specified, MZ is entitled to exclude the exhibitor from further participation in the exhibition or any other accompanying event in the case of a breach of any of the provisions of these conditions. In this case, the exhibitor shall not be entitled to any compensation for any damages and to a refund of any invoice paid in the meantime.
